

We are immensely proud and honoured to share with you that St Patrick's have been invited to **10 Downing Street** to a reception for Community Sports Champions. This is in recognition for our success in achieving the School Games Platinum award for the first time this year, following 5 years of successfully achieving the Gold award. We would like to take this opportunity to thank all the children who have participated and represented St Patrick's, the parents who have supported by encouraging their children's involvement and the staff at St Patrick's for their dedication to Physical Education. Mrs Moulding and Mrs Abbott will be attending 10 Downing Street tomorrow to represent St Patrick's at this prestigious event.
