

20th October 2020

Dear Parents/Carers,

**St Patrick's Christmas Card Project 2020**

St Patricks and the PFA are incredibly pleased to be organising our annual Christmas Card Project with our supplier Class Fundraising. Along with the traditional Christmas cards and Gift tags you will have the exciting option to purchase Mugs, Tea Towels and Bags for Life, all featuring your child's design.

All the children have had the opportunity to design their very own Christmas card and these have been produced as a sample card for each child taking part to take home and keep (whether or not you wish to order any more).

The project is a lovely way to celebrate your child's artistic talent and the cards are great to send to family and friends, especially so this year.

By now you will have received your child's individual **sample card and a parental order form**.

If you wish to place an order -

- Complete the parental order form, filling in all sections
- Securely enclose the correct payment in cash or cheque (payable to Birstall St Patricks PFA)
- Return **together** the order form and payment to school by **Thursday 5<sup>th</sup> Nov 2020**
- **Remember you can keep your child's sample card, you do not need to return this with your order**

If you don't wish to place an order –

- No further action required and remember you can keep your child's sample card

The PFA will place all orders with Class Fundraising by Monday 9<sup>th</sup> Nov 2020. The orders take on average 14 days to be completed and delivered into school, they will then be sorted and sent home with the children.

Many thanks for your support.
