12th May 2022

Dear Parents and Carers,

Platinum Jubilee Celebrations

On Friday 27th May, we will be celebrating the Queen's Platinum Jubilee. We invite all children and staff to join in the fun, coming to school dressed in red, white and blue that day. Please bring as many silver coins as you can donate on Friday 27th May and each class will build a creative picture associated with the Queen using the coins. We will then take a photograph of their royal picture. All the money will be donated to our school funds to further support your child's education at St Patrick's school.

As part of our celebrations, the children will enjoy a 'Street Party' style fish and chip lunch. Weather permitting, we plan to eat our lunch outside on the field. Each child will also receive a red, white and blue cupcake in celebration of the day. As well as this, each class will be learning about a different decade of the Queen's reign. Finally, we will all come together on Friday afternoon to share our learning in a whole school assembly.

To celebrate the Jubilee, we will also be holding a whole school creative royal competition. We are asking all the children to design, make and wear a crown. They can design and create their crown at home and then wear it to school for judging on Friday 27th May.

We are all looking forward to celebrating this unique, royal occasion with your child.

Kind regards,

Miss Gott (Deputy Headteacher)
